Motion

Moved by Wilson and seconded by O'Brien to adopt the following resolution.

The Board of Regents recognizes that it is important for University of Nebraska undergraduate students to be able to earn their bachelor's or first-professional degrees in timely fashion.

The University of Nebraska therefore commits itself to providing each student all assistance necessary to help him or her graduate within four years of entering, provided the student has appropriate high school preparation, pursues a course of study that is intended for four-year completion, and adheres to prudent practices in pursuing a degree.

These prudent practices include:

- selecting a major early in college and adhering to the same;
- working closely with academic advisors to develop a four-year curricular plan;
- pre-registering early during each semester's pre-registration period;
- registering for and completing 15-18 credit hours per semester, with acceptable grades;

June 1, 2002

- working at a job fewer than 20 hours per week; and
- in case of a possible delay caused by unavailability of a course, notifying the department chair prior to the end of the semester before that in which the course is needed.

For its part, the University guarantees the student that he or she will be able to enroll in courses that permit graduation in four years, or, if for any reason that is not possible, mutually acceptable alternatives may be provided, including allowing the student to substitute a different course.

The mutual commitment by the university and the student outlined in this resolution will result in four-year graduation.

Discussion was held.

Regent O'Brien asked that the Board, at a later time, look into the idea that if a student pledges to graduate in four years that their tuition remain the same for those four years.

X. **UNIVERSITY ADMINISTRATIVE AGENDA**

Motion Moved by McClurg and seconded by Blank to approve the “chancellor appointment” on item IX-A-1 from the Consent Agenda.

IX-A-1 Central Administration

New Appointment

Douglas A. Kristensen, Chancellor, University of Nebraska at Kearney (Special), Vice President (Special), University of Nebraska, effective 07/01/02, \$168,480 FY, 1.00 FTE.

Regent Ferlic stated that he appreciates all the hard work that President Smith put into this appointment. While Ferlic personally likes Senator Kristensen, he disagrees with the appointment because he believes that is necessary for a chancellor to have the knowledge and experience of the academic environment. Although, if Kristensen is appointed chancellor, Kristensen will have Ferlic’s full support

Regent Miller stated that he was in support of Kristensen because he is from Nebraska and will not use the university as a stepping stone. Although, no academic experience may be a concern, Miller supports the non-traditional approach.

Regent McClurg stated that Kristensen has his strong support as he believes that Senator Kristensen will be good addition to the leadership team.

Action Student Opinion: Aye: Wilkins, Hatt, and Wentz. Nay: Riggs. Voting Aye: McClurg, Miller, O’Brien, Schroeder, Wilson, Blank, and Hassebrook. Voting Nay: Ferlic. Motion carried.

Due to some confusion, Regent Wilson requested to speak about an item on IX-A-1 and was granted permission. Regent Wilson spoke about the issue of President Smith’s salary and the need to be willing to pay competitive salaries if the university wants competent people. There is no formal peer group for Central Administration. Regent Wilson asked if there is consensus on the Board that Chairman Schroeder be in charge of establishing an appropriate peer group for Central Administration. Chairman Schroeder stated he has had informal conversations with President Smith with regard to the subject and will continue to move forward on this subject. President Smith stated he would be delighted to go forward with this request. He will commission a consultant to create a peer group for central administration. Regent O’Brien reinforced Wilson’s comments that it is important that we are competitive because our administrators and faculty can always leave and go elsewhere to make more money.

Motion Moved by Blank and seconded by McClurg to approve item IX-A-4 from the Consent Agenda.

IX-A-4 Approve the creation of a new position, Dean of Undergraduate Studies and add the title and duties of Dean of Graduate Studies to the Vice Chancellor for Research at the University of Nebraska-Lincoln.
