# STUDENT HOUSING

## Are there gender inclusive housing options?

Students will have access to campus housing consistent with their gender identity. In addition to gender-specific housing, the University of Nebraska offers Gender Inclusive Housing (GIH). GIH provides a living environment where a student can room with any other student regardless of sex, gender, gender identity/expression, or sexual orientation. GIH is a safe, affirming, and inclusive living option that focuses on community and support, offered in suite-style and

## COUNSELING

### Are there counseling services available related to gender, sexuality and transition?

Many of the counseling services available to students, faculty, and staff offer counseling surrounding issues of gender, sexuality and transition. Interested students, faculty, and staff may contact their campus student counseling program or employee assistance program (EAP). Students may also contact the Rainbow Clinic at [psychology.unl.edu/pcc/specialty-clinics](https://psychology.unl.edu/pcc/specialty-clinics)

## HEALTHCARE

### Where can information about healthcare be accessed?

Student insurance plans arranged through the University are through UnitedHealthCare policies.

# NONDISCRIMINATION AND INCLUSIVITY

## What is the University of Nebraska's policy related to discrimination?

The University of Nebraska does not discriminate based on race, color, ethnicity, national origin, sex, pregnancy, sexual orientation, gender identity, religion, disability, age, genetic information, veteran status, marital status, and/or political affiliation in its programs, activities, or employment.

## Who can campus community members contact if they would like to get more information about the University's policies against sex discrimination or file a complaint?

Individuals may contact a Title IX Coordinator with questions about the University's policies prohibiting sex discrimination or to file a complaint.
